Your Employee Assistance Program Resource

Although some people find that they can get through the stress caused by a traumatic event by using their own support systems, others find that professional help with a licensed counselor allows them to gain a sense of control and emotional well-being. If your stress reactions persist and make it difficult to handle your day-to-day routine, it is important to seek professional help. If you are experiencing overwhelming feelings of sadness, anger or despair, it is important to seek professional help.. **Call you BHS Care Coordinator today at 800-245-1150 to discuss your available options.**
